A Guide to

Dog Park

Etiquette and Safety

Brought to you by

The City of Long Beach

Dog Park Association

and Community Volunteers

F.E.T.C.H PARK

FRIENDLY-CITY EXERCISE AND TRAINING FOR CANINES AND THEIR HUMANS

WELCOME

Taking your dog to our community off-leash dog park is a great way to let your dog exercise and socialize with other dogs and people.

If everyone obeys the rules, and exercises courtesy and common sense, a visit to a dog park can be a fabulous experience.

However, one irresponsible owner can ruin it for everyone else. This dog park etiquette brochure was developed by FETCH Park members to help make the dog park experience safe and enjoyable for everyone.

RULES AND REGULATIONS

*** USE AT YOUR OWN RISK***

neither the City of Long Beach nor the Long Beach Dog Park Association shall be responsible for any damage or injury caused by any dog in FETCH Park

***ALL DOGS** Must be properly vaccinated by a licensed veterinarian and display current rabies tag

*** LEASH** all dog(s) during entry and exit into and outside the park

***ALL DOGS** inside park must be off-leash and in your control

***You** are legally responsible for the behavior and health of your dog(s)

***MONITOR** your dog(s) at all times

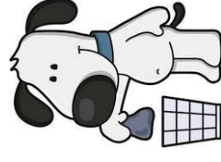

***PICK UP** your dog's waste immediately and properly dispose of it.

*** LEASH** and **REMOVE** aggressive dogs **IMMEDIATELY**

***NO MORE** than 3 dogs per handler at any time allowed

***ANYONE** 15 or **UNDER** must be closely supervised at all times by a legal adult

THE SERIOUS BUSINESS OF DOG POOP

Dog poop is messy, stinky stuff. It also transmits disease. Your dog's poop, like your dog, is your responsibility. Pick it up and dispose of it in the litter baskets.

Most Importantly....

Have FUN!

The community that brought you this dog park has worked tirelessly, raising money, volunteering, writing letters, and donating time and money so that You and your Fur-buddy could have a nice place to enjoy the day. So please take care of it and Have Fun!
